

DISNEYLAND DAILY ITINERARY

mixinsomemagic.com

A complete guide to your day at Disneyland! This itinerary will walk you through your day at Disneyland and will help you avoid long lines. Following the plan in order will give you the best results. This plan includes all the major and most iconic rides. If you come to a ride you don't want to go on or if the line is longer than you'd like to wait, just skip it! Don't forget to use rider swap if you've got small kids! For full custom plans visit mixinsomemagic.com. **For best results, arrive at the park gates 60-90 minutes before park opening.** When it is time for you to ride Rise of the Resistance or Indiana Jones (if a boarding reservation is required), pause the plan to ride. Pick it up where you left off afterwards. Have fun!

*** 7:00 am: Try for a Rise Of The Resistance return time on your Disneyland App. You can try again at 12pm if you don't get in on the first round.***
