[mixinsomemagic.com](http://mixinsomemagic.com)

A complete guide to your day at Disneyland! This itinerary will walk you through your day at Disneyland and will help you avoid long lines. Following the plan in order will give you the best results. This plan includes all the major and most iconic rides. It does not include using Genie Plus and Lightning Lanes. You can combine this plan with Genie Plus if you wish. If you come to a ride you don't want to go on or if the line is longer than you'd like to wait, just skip it! Don't forget to use rider switch if you've got small kids! Use the single rider line if possible. For full custom plans visit [mixinsomemagic.com](http://mixinsomemagic.com)

**For best results, arrive at the park gates 60-90 minutes before park opening.** Have Fun!
